

## WOOD GRAIN COLOURS

---

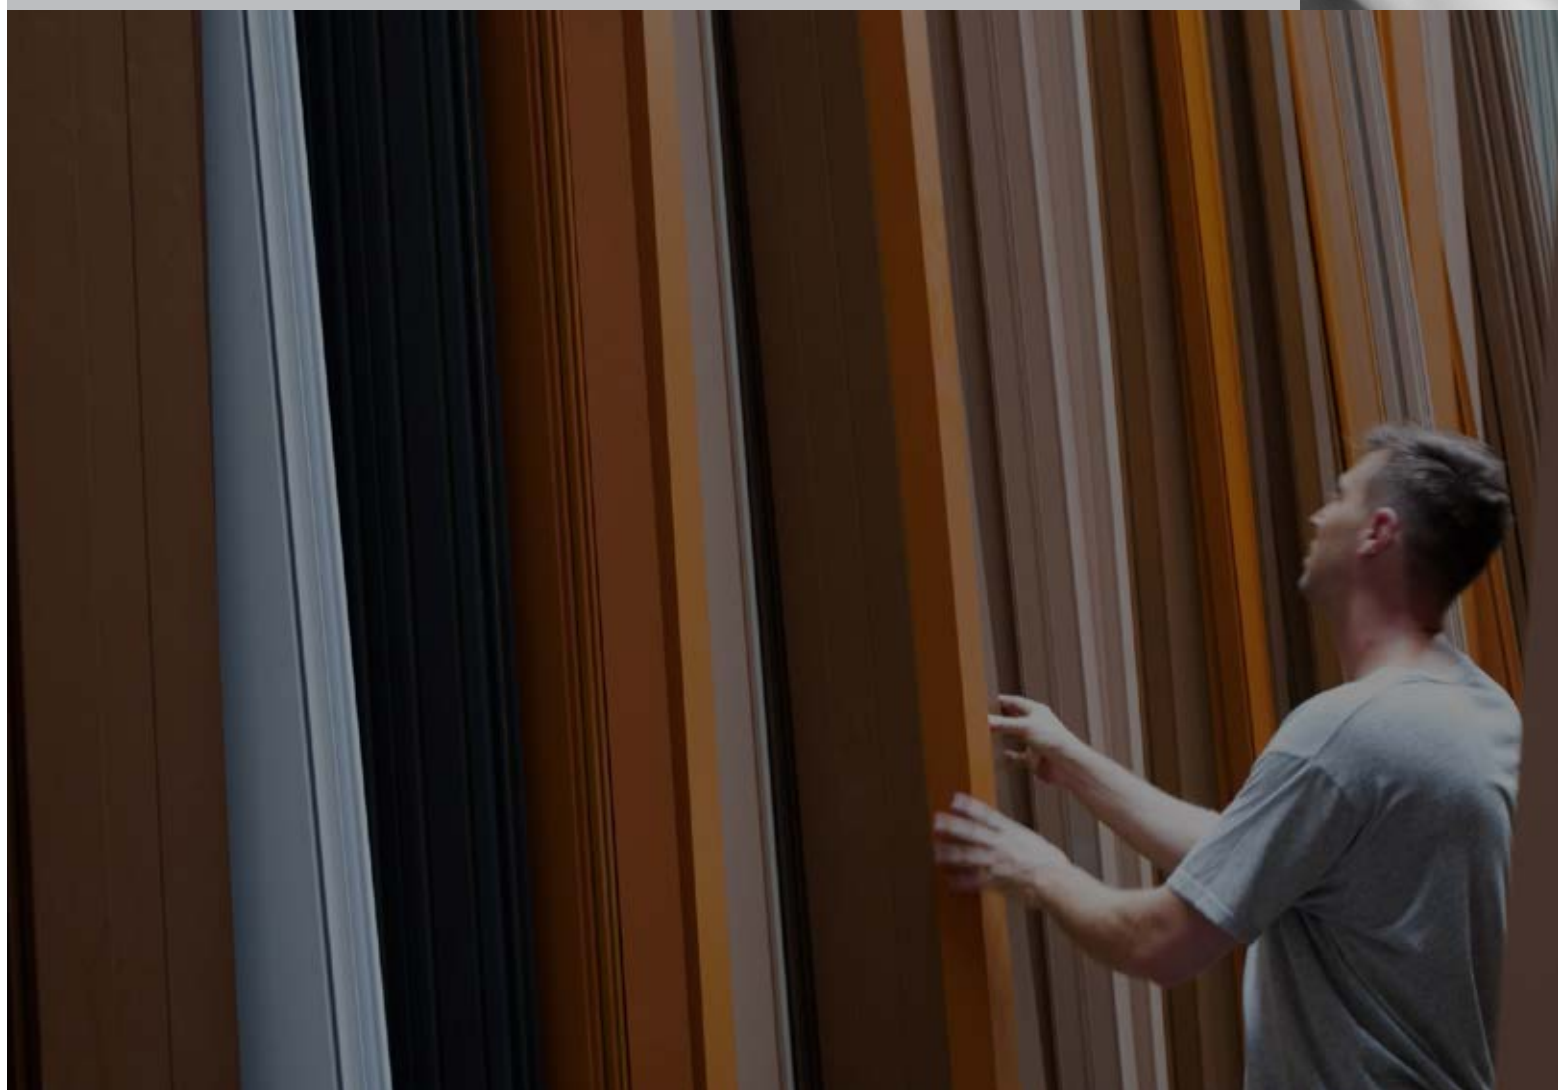

Life like wood grain colours  
that are textured to feel like  
real wood.

Knotwood combines the natural beauty and timeless appeal of wood with the capabilities of aluminium. Our specialty powder coating process produces the most life like wood grain colours that are also textured to feel like real wood. All of our aluminium systems and products are offered in our extensive range of wood grains.

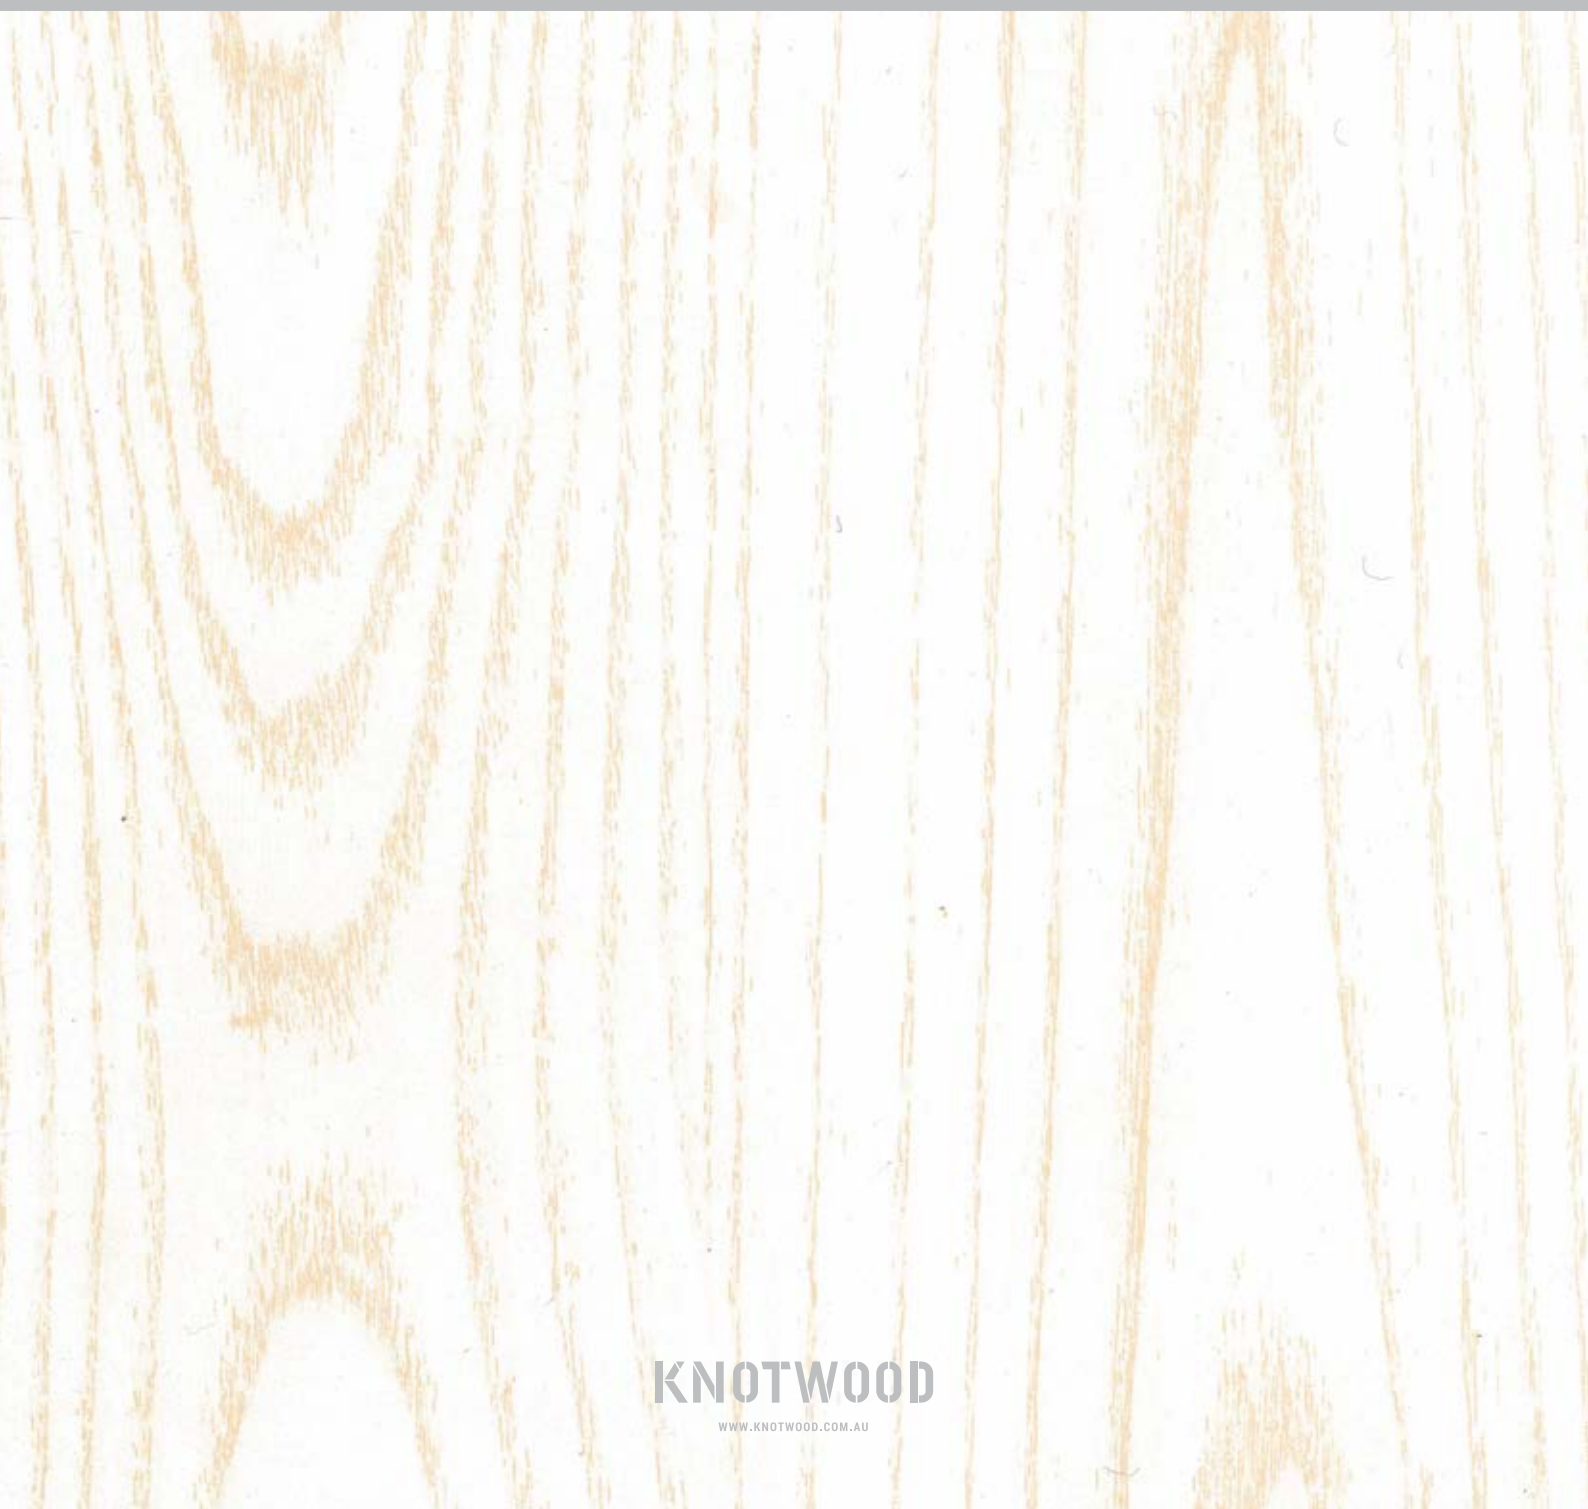

# WOODGRAIN BASE COLOURS

To make colour selection a simpler process Knotwood's woodgrain range is created on a base of six fine textured powder coating colours that can be easily integrated into your existing surrounds.
